## INTRO

Motivated, self-starter, and reliable. My reliability is showcased by working the opening shift at Starbucks (4am), immediately followed by my College courses, then a heavy homework load. I love learning and putting those skills to work. Please feel free to explore my website to see this trait at work!

## EXPERIENCE

### **Starbucks**, 274 Soscol Ave, Napa, CA 94559 - *Barista*

June 2021 - Currently

- Supporting the manager and coworkers by being efficient, professional, following the company standards
- Inventory restock and stocking of supplies and equipment for the store
