

Jacob DeGraw

Email- jacobdegrow707@gmail.com

I am a hardworking and creative individual with a passion for drafting and design. I am currently pursuing an A.S. degree in Digital Design and Graphics Technology (DDGT). I have hands on experience in AutoCad, Inventor and Fusion360.

Education

- Napa Valley College, 2277 Napa Vallejo Hwy, Napa, CA 94558
 - Digital Design and Graphics Technology Program - Expected graduation May 2024

Related Experience

- 4-H Club Member (2012 – 2022)
 - Although I have not had any official experience working, I have participated in 4-H, 4-H is a program where you meet once a month to get the necessary information and help for raising your animals as well as giving you the option to sell your animals every year at your local Fair. I have been participating in 4-H since the third grade where I have learned many valuable lessons.
 - I am a comfortable public speaker. I have regularly spoke in front of 50 or more people at a time since the third grade almost every month. This has helped develop the confidence I have today.
 - Being a 4-H member has also given me the opportunity to mentor younger kids and show them the proper way to carry yourself, work hard, treat people and animals

Certificates

- AutoCad Fundamentals
- Fusion 360 Fundamentals
- Inventor Fundamentals
