looSePicksl@gmail.com

MAIN OBJECTIVE:

To show respect to the employer while giving said employer the best quality work I can provide. To always try to be blunt and honest when I'm judging something and try my best to give feedback for improvement whenever I can.

Education

Digital Design Graphics Technology A.S. Degree - Napa Valley College, Napa CA

  Projected graduation date of June 2021

Certification

Autodesk Certificates of Completion:

"AutoCAD fundamentals" "Inventor intro into Solid Modeling"

Training In Academic Environment
